

FOR IMMEDIATE RELEASE

ON TRACK WELCOMES CARL SCHLACHT TO OUR LEARNING COACH STAFF!

On Track, the leader in customized education for motocross athletes looking to obtain a cutting edge education, would like to recognize one of our coaches, Carl Schlacht, who recently joined our staff of Learning Coaches.

Carl, a professional racer, is training at Millsaps Training Facility in Cairo, GA where many of our students also participate in the program. Carl tutors students as well as oversees On Track's middle school math classes in the virtual classes that are held online, a feature that On Track has used this year in order to bring students together from across the country in a live setting.
